

Quiz Application

Console based Quiz

WELCOME MESSAGE

Hello Everyone

“

Hello!

I'm a CS-Student whom is trying to learn cool, new things on his own.

Like in this project I have tried to make a cool console based Music Theory Quiz.

- Afraz Asher Asrar

303-BSCS-19(E-1)

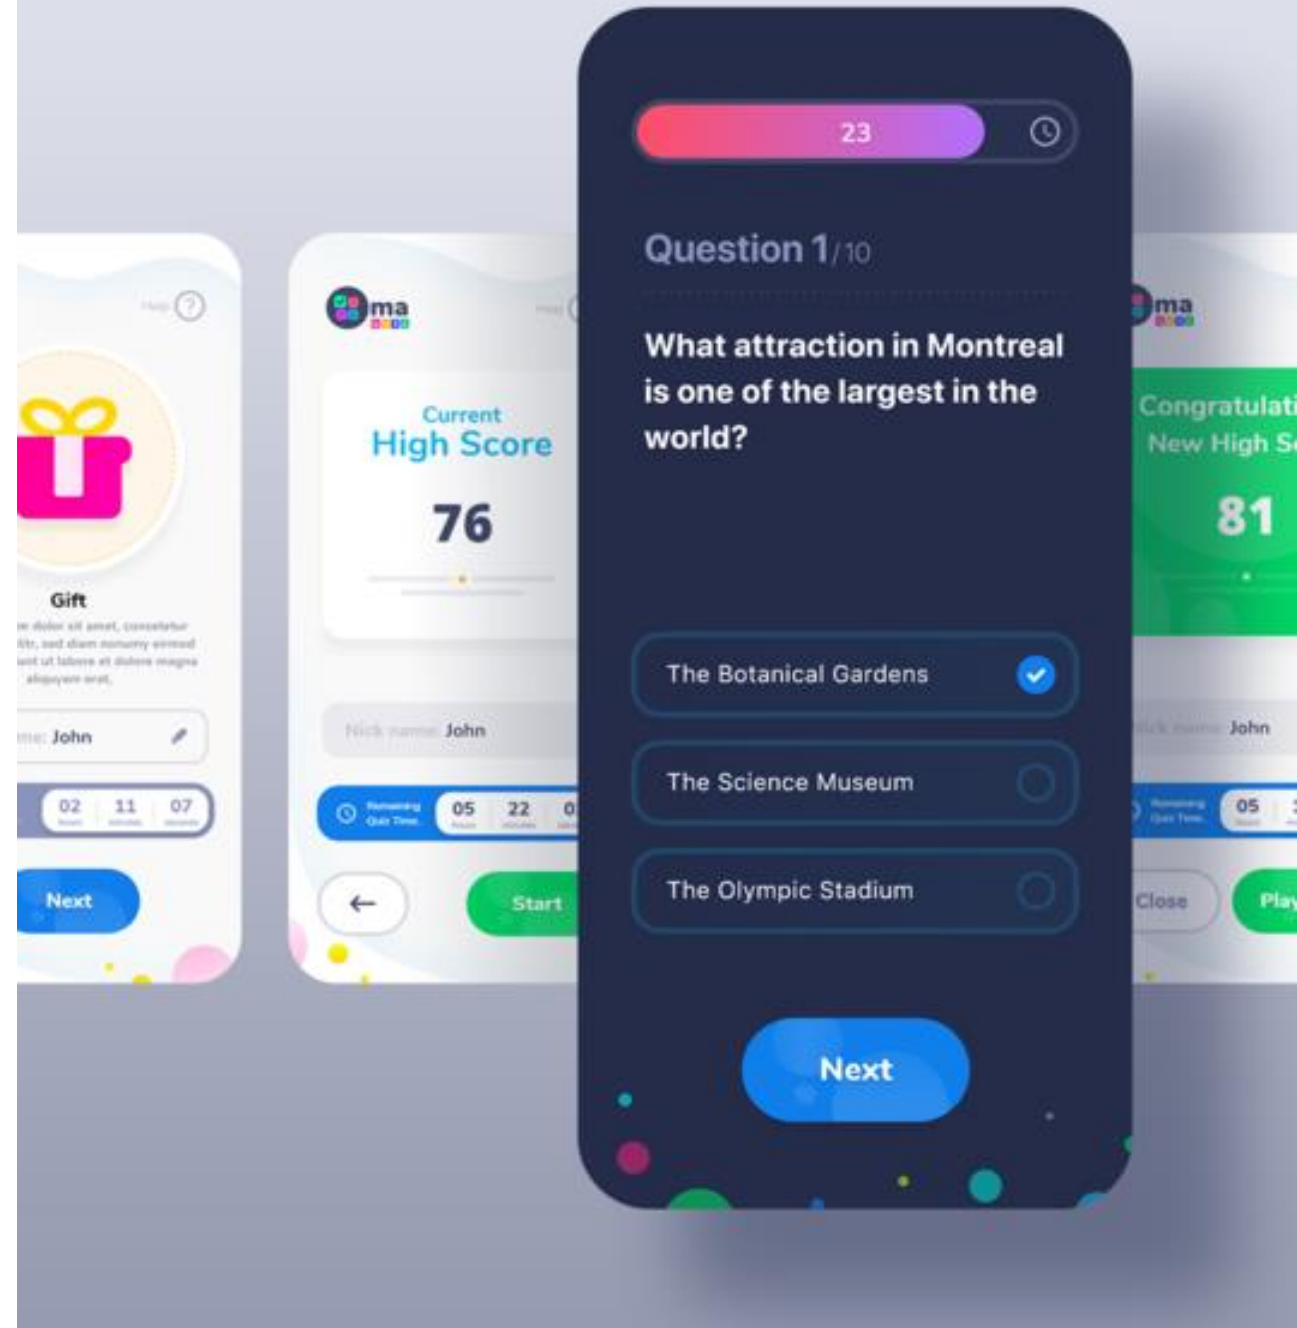

afrazasher2@gmail.com

Problem Statement

After observing the existing console based “Quiz Applications”.
Now, I know how to make my version better then the existing one.

- To make desktop based application .
- To make the system easy & fun to use.

solutions

Write main solutions you are providing

Sign up for new users

New users can signup

Login for existing users

Existing users can, login and re-take the quiz to improve there score.

Score Board

Your score will be saved and can be viewed again
